

BEAR RIVER (UTAH) [109]

INTERMENT REGISTERS, 1895#1991

2 microfilm reels

DESCRIPTION: This series consists of a two-volume register of burials at the Bear River cemetery. Columns include the name of the deceased, sex, race, color, date of birth, place of birth, names of father and mother, a column entitled "religion, habits, and reputation in community," marital status, last place of residence, date of death, place of death, cause of death, physician or nurse in attendance, location of grave, kind of casket, construction of vault, complexion, physical deformities or scars, occupation, and name of sexton. Not all columns are completed for all individuals.

ARRANGEMENT: Geographically by plot.

RESEARCH NOTE: The "A" and "H" sections of the first volume's index are continued on to the last page of the index section.

PROCESSING NOTE: These records were filmed in 1992, and archival processing completed in July 1999 by Arlene Schmuland.
