

BEAR RIVER (UTAH) [109]

ORDINANCES, 1906-ongoing

DESCRIPTION: Utah municipal governments exercise authority through ordinances (Utah Code, Unannotated, 1991, 10-3-701). The ordinances in this series are revisions or additions to the complete code, "The Revised Ordinances of Bear River Town, Utah (1906)." Book A, entitled "Ordinances and Resolutions of the Bear River Town Corporation," contains copies of ordinances passed 1906-1936. These ordinances deal with irrigation, taxation, and the regulation of public streets, pool halls, fireworks, liquor sales, and bowling alleys. They also contain franchises between the city and companies such as Utah Power and Light, Acme Water Company, a drainage company and a telephone company. Ordinances passed after 1950 are on loose paper and deal with annexing additional property into the city, licensing businesses, public utility right of ways, and teen curfews. Several ordinances define sewer regulations. Other ordinances are agreements with Box Elder County concerning garbage pickup, 911 emergency numbers, and trash burning. This series also contains an ordinance adopting the land management and development code.

ARRANGEMENT: Ordinances are arranged chronologically.

RESEARCH NOTE: The loose paper ordinances include a statute passed in 1918 which defines the fees which can be assessed by the pound keeper.

RELATED RECORDS: CODIFIED ORDINANCES, series 23591, contain the complete ordinances in code form as published in 1906. Earlier codes as well as all previous ordinances are included in TOWN BOARD MINUTES, series 10619. LAND MANAGEMENT AND DEVELOPMENT CODE, series 23354, contains land management and development code and the master plan upon which it was based. It was approved as a town ordinance in 1998.

PROCESSING NOTE: Bear River ordinances were microfilmed by Utah State Archives in August 1992 and November 2000 and were processed by Rosemary Cundiff in 2001.

PREFERRED CITATION: Cite the Utah State Archives and Records Service, the creating agency name, the series title, and the series number.

GAPS: This series contains no ordinances passed between 1936 and 1950.
