

## DAGGETT COUNTY (UTAH). COUNTY RECORDER [291]

### MINING RECORDS, 1919#1984

3 microfilm reels

**DESCRIPTION:** Mining records, which constitute a legal record, are kept by the county recorder for the purpose of monitoring and registering mining claims and operations. Mining records contain notices of location which provide the name of the claim, locators, location, legal description and the mining district; proofs of labor which record the work performed at each mine annually; and deeds which record information affecting the title to the mining property.

**ARRANGEMENT:** This series is arranged chronologically by date filed.

**PROCESSING NOTE:** Mining records were first scheduled as permanent records in 1971. The mining records were filmed by the Utah State Archives in 1984. The entire series was archivally processed by David Clark in October 1999.
